Labour Force and Child Labour Survey 2013

DPC		\neg
טוכ		- 1

Confidentiality:

All information collected in this questionnaire is confidential and will be used for statistical purpose only.

Why Labour Force Survey?

The survey is the only practical way to get information on labour force and to produce employment indicators related to MDG and KILM.

Survey objectives:

The objectives of this survey are to produce statistics on employment, unemployment, underemployment, labour migration, labour force by sector and occupation, formal and informal employment, hours of work, wages etc. by gender.
